### YMCA Values

YMCA camps focus on teaching important values such as caring, honesty, responsibility, and respect. We offer fun and rewarding activities that help children develop valuable skills and gain confidence and self-esteem. We strive to strengthen and enrich the character of every child.

### Animal Mania Camp June 13-18

Discover underwater sea life, learn about animals on the farm and make butter, round up animals that have escaped from the zoo, and discover which animals make the best pets during this week's exploration of the Animal Kingdom.

### Rescue Heroes Camp June 27-July 1

Sound the Alarm! Grab your gear! We're off to learn about those who help. Firemen, policemen, and rescue squad personnel will bring their vehicles and gear for campers to explore. Games, art projects, and swimming are also part of the fun.

### Splish Splash Camp July 18-22

Come aboard the SS YMCA for a fun week of wet and wild water adventure! There will be sprinkler play, bubble making, slip-n-slide fun, and water balloon challenges. Games and crafts focus on all things aquatic.
